Two “Golden Rules”

1. The group project must support a positive collaborative learning experience.

2. Students must be held accountable for their participation in the team effort.
Larry Michaelson, Team-Based Learning Guru, describes team formation.

Think/Pair/Share

- Write for 5 minutes:
  - Describe a current team project OR develop a new one.
  - How will you evaluate student work and hold teams accountable?
Team Formation Strategies

• For 10 minutes in your team, work to develop the team project idea we’ve selected.
