

After Arrival

Welcome Tigers!

After you come to Auburn University, the things that you need to do immediately are:

- Go to **Office of International Programs (OIP)** located in Foy Hall and report your arrival.
- Get your **Tiger card** at the Student Centre.
- Attend the **Orientation program**.
- Contact your realtor to **obtain possession of apartment well before the lease date**. This would give you **sufficient time for buying furniture**.
- Open a **bank account** with the likes of **Wells Fargo, Chase, BBVA Compass, Regions, PNC Bank** and many others.
- Get a **new SIM card**, preferably prepaid, from a host of companies like **T-Mobile, AT&T or Sprint**. They would cost somewhere in the range of **\$25-\$30**. We also recommend you to opt for **group/family plans** which would allow you to share bills among your friends and provide **cheaper alternatives**.
- Finish off **departmental paper work** in case you're hired for a **part-time job** and/or **assistantships**. (Tax forms etc.)
- Get acquainted with day-to-day services of **grocery** and **laundry**.
- **Start exploring the university campus and look forward to having a great time at Auburn!!**
