A Decodable Story
By Kathryn Stubblefield

Book Talk: Pip the pig loves to swim with his friends, but one day his normal swimming spot was FULL! How are Pip and his pals going to turn their day around?

Pip the pig swims in the pond.
Pip's pals are Ben, Bill, and Bond.

Pip's ox pals all swim with him.
When they have fun, they have big
grins.

When Pip and his pals got to the pond,
their spot at the pond was all but gone!

They did not fit! No spot was left!
They were mad and not glad at this big sad
pond theft.

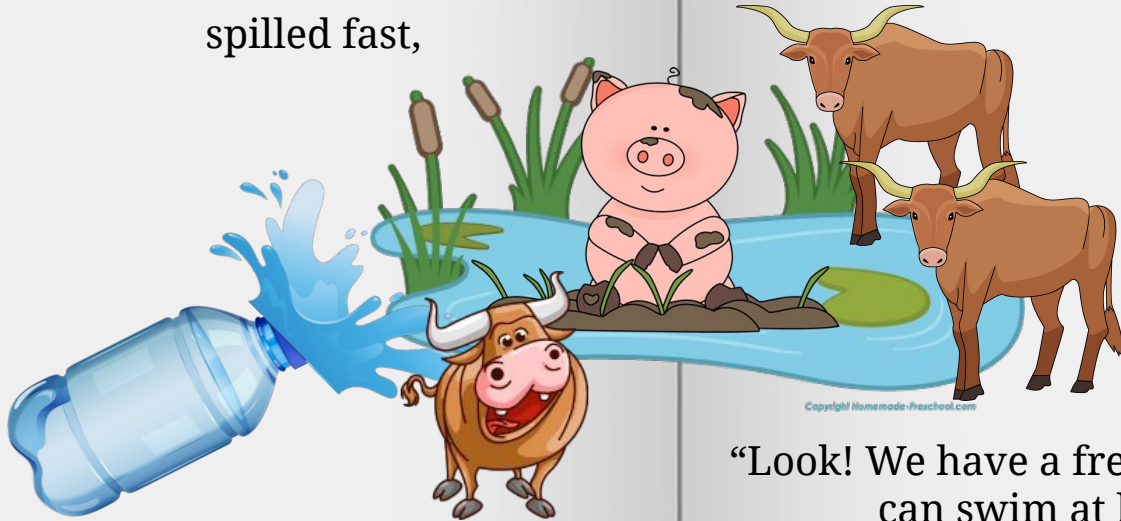

They switched from the pond to a spot
on the grass,
And as they sat an ox pal grabbed a glass.

His glass had wet stuff that spilled
from the top.
The ox pal gasped “Gosh, it won’t stop!”.

Next Pip said, as the wet stuff
spilled fast,

“Look! We have a fresh pond! We
can swim at last!”
