Student Government Association
November Newsletter

Senate

The Student Government Association Senate is made up of 34 senators, apportioned among every school and college, who represent the student body. Five committees within the senate work to better student life. Recently, Senate has passed the Executive and Legislative Crossover bill that now prohibits students from serving in both Senate and Cabinet.

Town Halls

Our hope for Town Halls is that students can find an opportunity to voice their comments, questions, and concerns to administration, faculty, and fellow students on a variety of topics. With an atmosphere of amity and open-mindedness Auburn students will be able to hear from their peers and administration, as well as vocalize their own thoughts, on several areas that directly impact their time at Auburn.

First Town Hall
When: Nov. 15 at 6 p.m.
Where: Student Center Room 2326
Who: Dining, Residence Life, Parking Services and Risk Management & Safety
What: The attendees above will respond to student feedback and answer students’ questions about their perspective areas of campus
