Step 2 (continued): Schedule an MWC Appointment on WCOOnline

5. Use the week navigation arrows and calendar option to schedule an appointment at a future date.

6. If you need assistance with a particular type of project or in a language other than English, use the "Limit to" drop down menu to filter the schedule based on the consultant's areas of specialization. Specialties include a variety of languages, fields, citation styles, and other forms of writing.

7. Click on any available white space to select the start time of your appointment and the tutor you wish to work with.

May 22: MONDAY	1:00pm	2:00pm	3:00pm	4:00pm
Alex L Face-to-face or online	Available	Available	Available	Available
Jose Face-to-face or online	Available	Available	Available	Available
Lilia Face-to-face or online	Available	Available	Available	Available

The table displays a weekly schedule for Monday, May 22. The columns represent time slots from 1:00pm to 4:00pm. The rows represent different tutors: Alex L, Jose, and Lilia. Each cell in the table is either dark blue (indicating the tutor is unavailable) or white (indicating the slot is available). In this screenshot, all slots are white, indicating all tutors are available for all time slots. A red box highlights the 1:00pm slot for Jose, and a red arrow points to it from the text above.

8. Clicking on the available time slot will launch the appointment form in a separate window. Complete all sections of the appointment form, including:

- Meet online? (if applicable)
- Course/instructor information
- Assignment information

9. Click "Save Appointment," and your appointment is scheduled!

Once you've successfully made your appointment, you will receive an email confirming the time, location, and tutor you selected. Directions to your chosen location are located on our [Hours & Locations](#) web page.
