

Writing as a Process

Good writing doesn't just happen. It is a process!

Writing as a Process

Good writing doesn't just happen. It is a process!

Make a Plan

When must my completed assignment be submitted?

Has my teacher set preliminary deadlines for me?
If yes, what are they?

What will I need to learn before I can begin/complete this assignment?

Create an action plan for your assignment. Pace yourself so that you complete the different parts of the writing project over time.

Sub-Task Description	How long will it take?	When will I have it done?
