HPC Reservation Order Form [07.17.20]

This form is your commitment to purchase the specified computational capacity in the new HPC cluster and to abide by Auburn University and HPC policy in its usage. You can print the form, fill it out, and scan it, or use a PDF editor to complete it using Adobe Acrobat Sign & Fill. Send the completed form with signatures (if required) as an attachment via email to hpcadmin@auburn.edu.

College \ Dept: _____

Reservation	Processor	Cores	Memory (GB)	Unit Price (\$)	QTY	Unit Total
Standard	Intel 6248 (2)	48	192	7,500		
BigMem2	Intel 6248 (2)	48	384	8,800		
BigMem4	Intel 6248 (2)	48	768	11,200		
AMD	AMD 7662 (2)	128	256	11,000		
2x Nvidia T4 GPU	Intel 6248 (2)	48	384	9,500		
4x Nvidia T4 GPU	Intel 6248 (2)	48	384	17,500		
4x Nvidia T4 GPU	Intel 6248 (2)	48	768	18,500		

Total: _____

Financial Liason Full Name: _____

Financial Liason Email Address: _____

List FOPs for the Purchase of HPC Equipment: _____ , _____ , _____ , _____ , _____

Are any of the funds listed a contract or grant fund? Yes No

If Yes, Provide PI Approval Signature: _____

If Yes, Researcher/PI will need to work directly with Larry Hankins in advance of submission to ensure Contracts & Grants Accounting will approve the direct purchase against the grant.

Larry Hankins, Contracts and Grants Signature: _____

**If the FOP to cover the costs of nodes is not a grant, your financial liaison will need to make a budget transfer to cover the cost of the new nodes. Cindy Selman will be in touch with your Financial Liaison when funding is required.*
